**Preliminary Amendment**

Assistant Commissioner for Patents  
*Via facsimile per USPTO request*  
Arlington, VA 22313-1450

Dear Examiner Crow:

This Preliminary Amendment is required to correct confusing language in the claims of the Application, specifically relating to the description of inter-relation of parts and correcting nomenclature used in claim 10 for harmony with the specification.

I hereby Certify that this correspondence is being facsimile transmitted to the United States Patent and Trademark Office, Fax Number: 703-872-9306 on: January 26, 2005.

Geoffrey E. Dobbin
